<p>Sept. 27 Whereas I had wrote into the South Sea Stock Forty Blanks, amounting to 28 <i>l.</i> per Annum, and 50 per Annum Prizes in the Lottery 1710, I was to have for the same 200 <i>l.</i> in Bonds, and 1 <i>l.</i> in Money, and 300 <i>l.</i> in Stock, with the Dividend of 10 per Cent. the amount of which said Stock is 330 <i>l.</i> and the said 200 <i>l.</i> in Bonds, and 1 <i>l.</i> in Money, besides 78 <i>l.</i> being one Years Annuity, comes into the Account of Cash. The said 300 Stock was valued at 375 <i>l.</i> per Cent.</p>	330	1125
<p>In or about June last, I sold to Mr. Joel Watson 1000 <i>l.</i> Stock, with the Dividend of 10 per Cent. for the Sum of 8000 <i>l.</i> for which Sum he gave me a Note under his Hand, payable at demand, and on the 13th of September he paid me the Sum of 2000 <i>l.</i> after which, viz. on the 27th of September, I paid him the Sum of 300 <i>l.</i> the same Day the said Watson transferr'd to me 950 <i>l.</i> South Sea Stock, as a Security for the Money remaining due on account of the said 1000 <i>l.</i> Stock sold him, but afterwards the said Watson declar'd his Inability to comply with his said Agreement, and therefore as I had then receiv'd of him 1700 <i>l.</i> in Money, upon his allowing me 200 <i>l.</i> in an Account of Iron bought of him, making together 1900 <i>l.</i> and upon his quitting all his Interest to me in the said 950 <i>l.</i> Stock, I deliver'd up his said Note of 8000 <i>l.</i> and wholly discharg'd him of the said Agreement.</p>	950	
<p>Whereas my Father Mr. Samuel Reade had 2000 <i>l.</i> Stock in his own Name, and for his own Account, and 10 per Cent. Dividend thereon, making together 2200 <i>l.</i> which my said Father order'd me to dispose of, and for that purpose, by his Letter of Attorney, bearing date July 16, 1720, authorized me to sell, assign, and transferr all his then present South Sea Company Stock, and all such further Stock as he then was or should be entitled unto in the said Company, by vertue of any Subscriptions made, or to be made by or for him, of any Annuities or otherwise; by vertue of which said Letter of Attorney, in August last I transferr'd my said Father's 2200 <i>l.</i> Stock, to make good Contracts which I had made on my own Account; and therefore I did on or about the 31st of October last allow to my Father in Account, and on or about the said 15th of November following, did pay to my said Father the Price for his said Stock, at which my own Stock was sold in the said Month of August, and transferr'd by Jacob Sawbridge, which in an Average came out about 791 per Cent.</p>	2200 3480	17401 18527
